(REFORM/SPECIAL INTERESTS/MIDDLE CLASS)									
We have to change Washington. That means eliminating the special deals and tax breaks won by corporate lobbyists for the oil companies and Wall Street, paid for with higher deficits. (REPUBLICAN HOUSE CANDIDATE) has pledged to protect those breaks for Wall Street CEOs, oil companies like BP and companies that ship our jobs to India and China. I'll take a different approach by cutting taxes for the middle class and small businesses so they can start creating jobs again. Let's make our country work for the middle class.	29	18	13	18	20	1	2	47	59

43 (SPLIT B) (MADE IN AMERICA/INDIA AND CHINA/AMERICAN JOBS) My passion is "made in America," working to support small businesses, American companies and new American industries. (REPUBLICAN HOUSE CANDIDATE) opposed efforts to make it easier for small businesses to get credit and has pledged to support job-killing free trade deals and to protect tax breaks for companies that send American jobs to places like India and China. I have a different approach: cutting taxes for companies that create jobs right here in America and helping small business expand and hire new workers by cutting red tape and making it easier for them to get credit.	26	23	14	14	17	3	3	49	62

44 (SPLIT A) (CHECK AND BALANCE) We need a check and balance in Washington. One-party control by the Democrats has led to higher unemployment, tripling the deficit, giving more control of our health care to bureaucrats, and increasing the size of government. (DEMOCRATIC HOUSE CANDIDATE) made things worse by supporting Nancy Pelosi and an agenda that grew government, cut Medicare, and gave tax breaks to companies manufacturing in China and India. I'll take a different approach by working to cut wasteful spending, and focusing on policies that help create jobs, not kill jobs.....	25	18	9	19	22	3	3	43	53

[401 Respondents] 45 (SPLIT B) (OBAMA/PELOSI/ECONOMY) Congress is way off track when it comes to jobs and the economy. (DEMOCRATIC HOUSE CANDIDATE) supports an Obama-Pelosi agenda that kills jobs by trying to raise taxes on energy, increasing costly regulations on nearly all businesses with a trillion dollar health care law, and eight hundred billion dollars on an economic stimulus bill that failed to lower unemployment. I have a different approach that allows small businesses to take tax deductions to create jobs, repeal the small business mandates in the new health care bill, and limits federal spending.	25	18	10	21	22	3	2	43 53

[401 Respondents] 46 (SPLIT A) (SOCIAL SECURITY/MEDICARE) (REPUBLICAN HOUSE CANDIDATE) has pledged to make sweeping cuts, including cuts to programs for the middle class, like Social Security and Medicare. The Republican plan to privatize Social Security shifts savings to the stock market and ends guaranteed benefit levels. Medicare as we know it will end and seniors will have to purchase private insurance using a voucher.			20	29	15	31	5	49 46

[401 Respondents] 47 (SPLIT B) (CHAMBER) (REPUBLICAN HOUSE CANDIDATE) has pledged to protect tax breaks for companies that export American jobs and support free trade agreements with countries like South Korea that will bleed American jobs. As a result, that campaign has received massive financial and advertising support from big business groups that get money from foreign corporations and that champion outsourcing as good for consumers and oppose any buy American rules. That's a bad deal for America.	14	30	19	32	5	45	50
[401 Respondents] 48 (SPLIT A) (FAIR TAX) (REPUBLICAN HOUSE CANDIDATE) supports the eliminating of taxes on big corporations and wants a new twenty-three percent national sales tax on nearly everything we buy, including groceries, medicine, clothes, and gas, which would hit the middle class hard.....	24	31	11	30	4	55	41
[401 Respondents] 49 (SPLIT B) (BIG OIL) Even after the oil spill in the Gulf of Mexico, (REPUBLICAN HOUSE CANDIDATE) continues to support big oil companies like BP, protecting their subsidies that cost taxpayers twenty-five billion dollars, and refuses to hold them accountable for their pollution. They would make taxpayers pay for clean up, rather than the oil companies.....	23	26	18	28	5	49	46

52 (SPLIT A) (PELOSI) (DEMOCRATIC HOUSE CANDIDATE) will be a rubber stamp for Nancy Pelosi in Washington and supports her on every major issue, including the failed stimulus, unnecessary bailouts, and a health care law that takes away our choices. These failed programs are exploding our deficit, haven't improved our economy and are taking away our freedoms. We must end the Democrats' two-year experiment in expanding government.	16	31	15	35	3	47	50

53 (SPLIT A) (HEALTH CARE) (DEMOCRATIC HOUSE CANDIDATE) and the Democratic Congress passed a health care law that will cut five hundred billion dollars from Medicare and hurt senior citizens, raise taxes on families and small businesses, and increase the deficit by hundreds of billions of dollars.	18	32	16	30	3	50	46

54 (SPLIT B) (SPENDING) (DEMOCRATIC HOUSE CANDIDATE) is addicted to spending our tax dollars and supports running up the deficit to record levels with failed economic policies. We can't continue to put our government into more debt to countries like China. This Democratic spending spree will raise taxes on working families and burden our small businesses.	22	26	17	32	4	48	48

[401 Respondents]							
55 (SPLIT B) (EXTREME) (DEMOCRATIC HOUSE CANDIDATE) wants to undermine free enterprise and move us closer to socialism.
