Methodology and Overview

This presentation is based on a survey of 337 participants at the Take Back the American Dream Conference Oct. 3-4, 2011. The straw poll was conducted by Greenberg Quinlan Rosner Research for Democracy Corps and Campaign for America's Future.

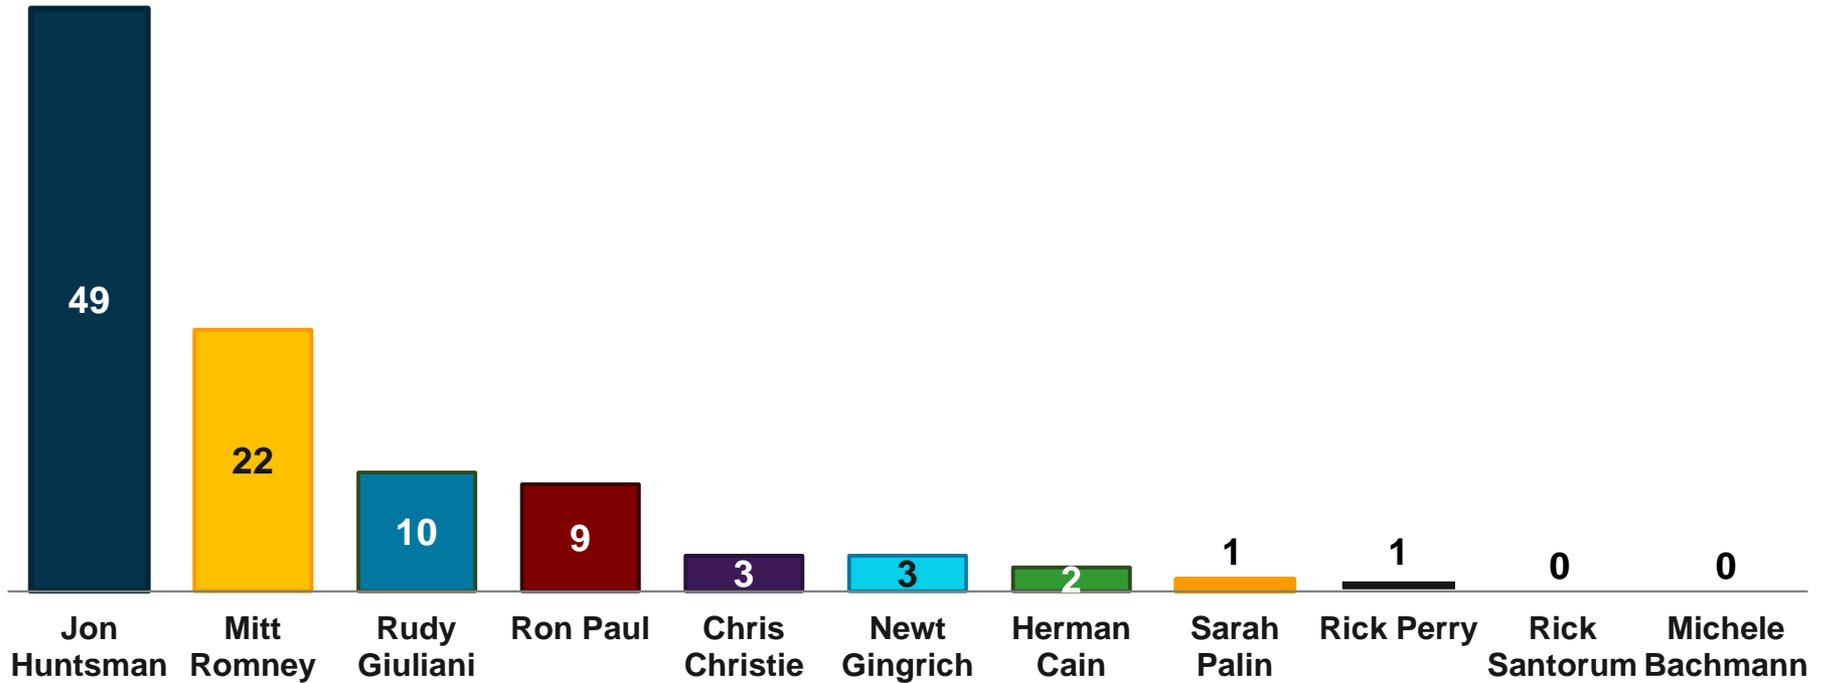

Obama approval: still strong among progressives

Do you approve or disapprove of the job being done by Barack Obama as president?

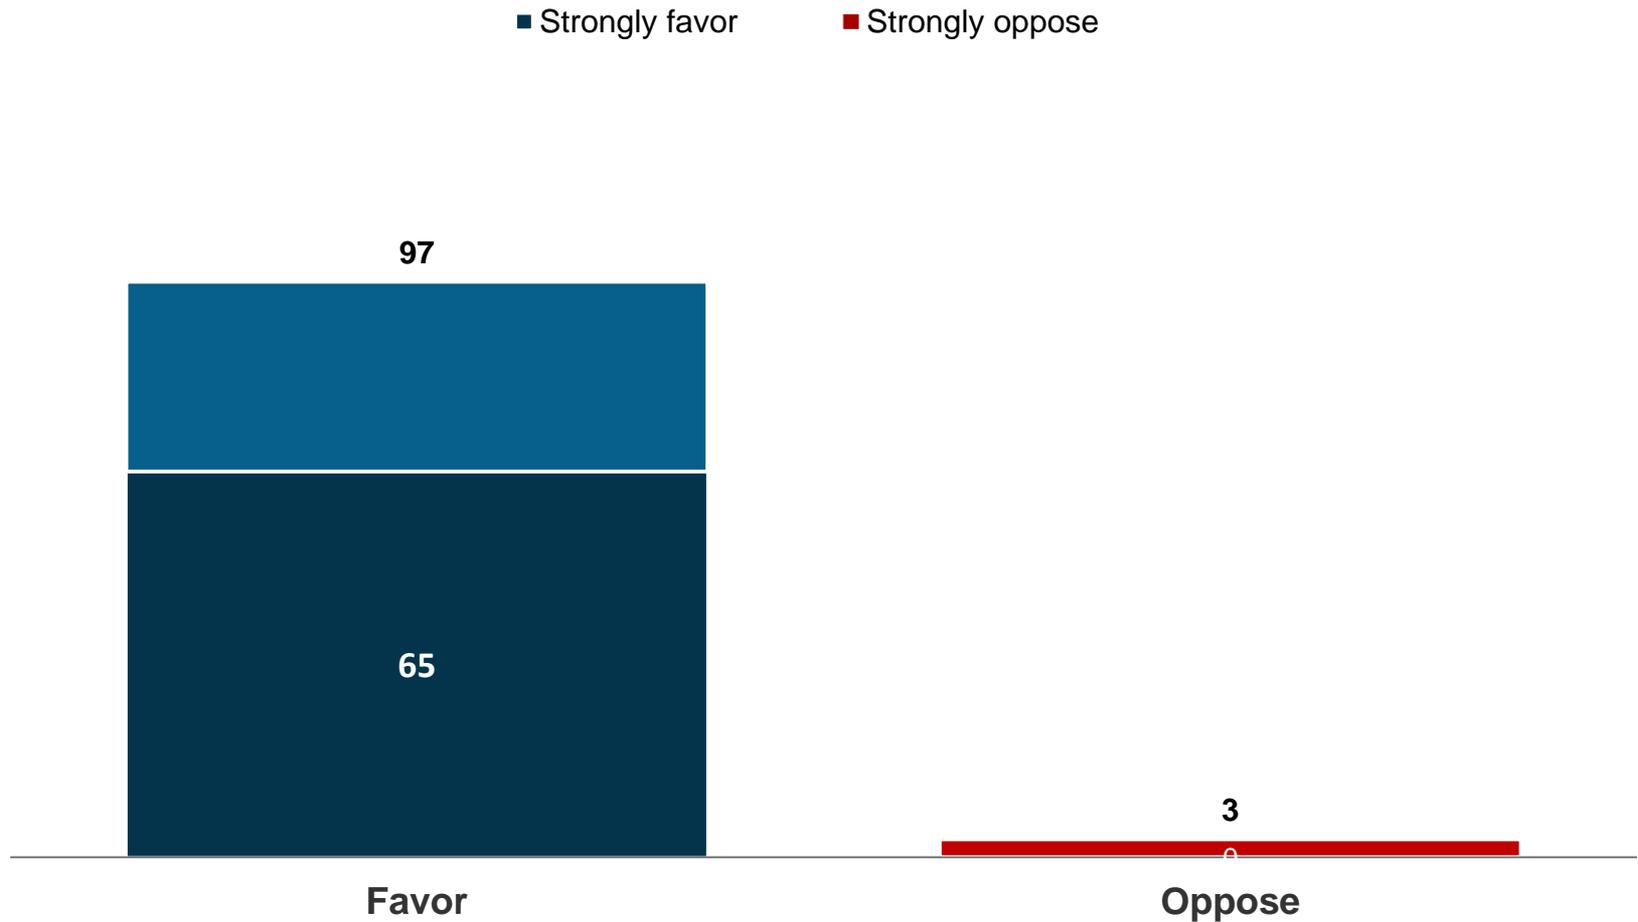

Jon Huntsman leads Republican field as “most qualified”

Which ONE of the following people do you think is most qualified to be president?

Near universal support for jobs bill among progressives

As you may know, President Obama recently proposed the American Jobs Act to Congress last month. From what you know, do you favor or oppose this plan?

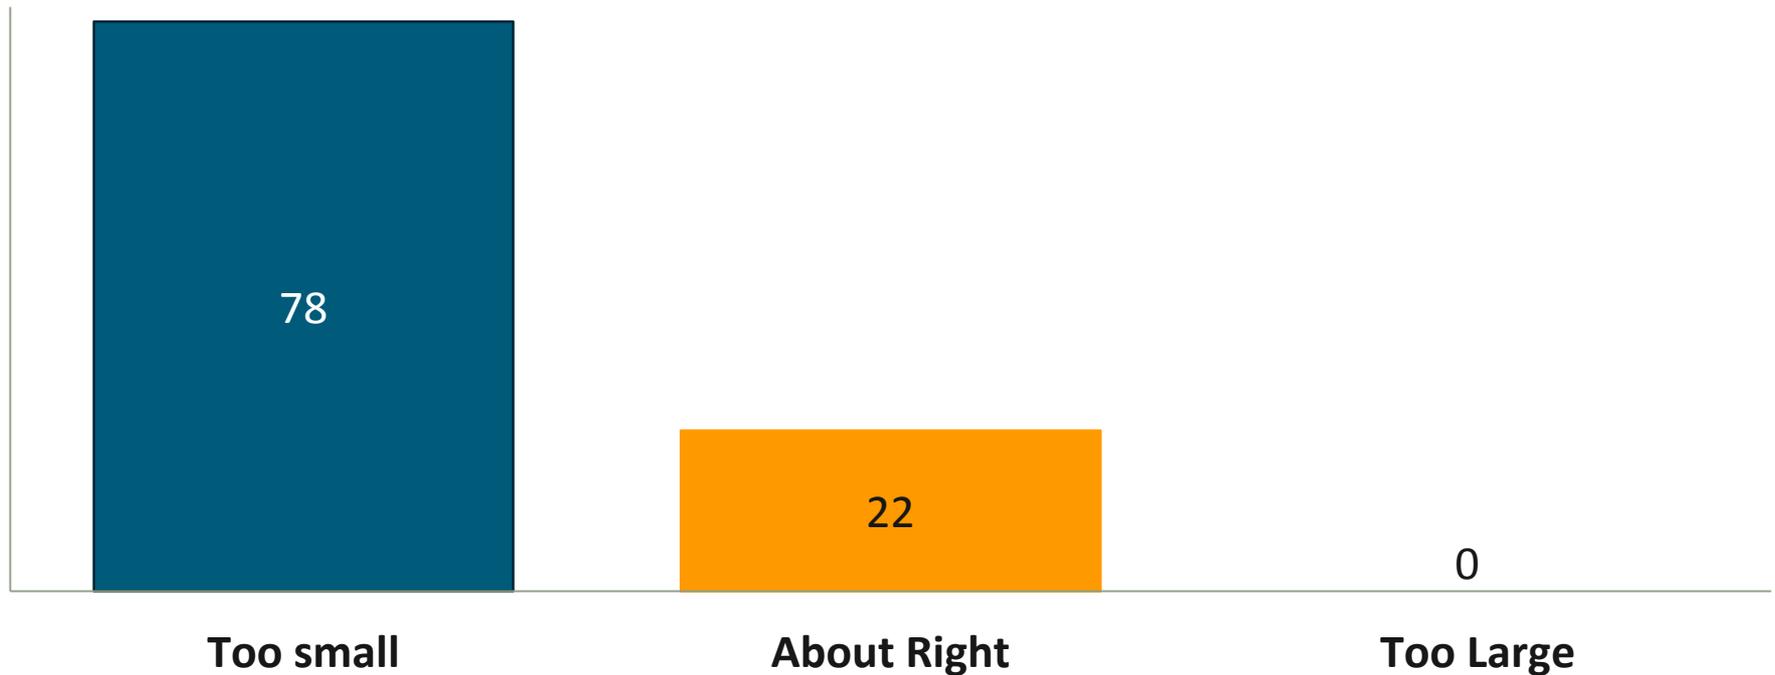

Progressives want Obama to go bigger on jobs bill

Thinking about the jobs plan that President Obama announced in September, do you think the scope of the plan is...

■ Too Small

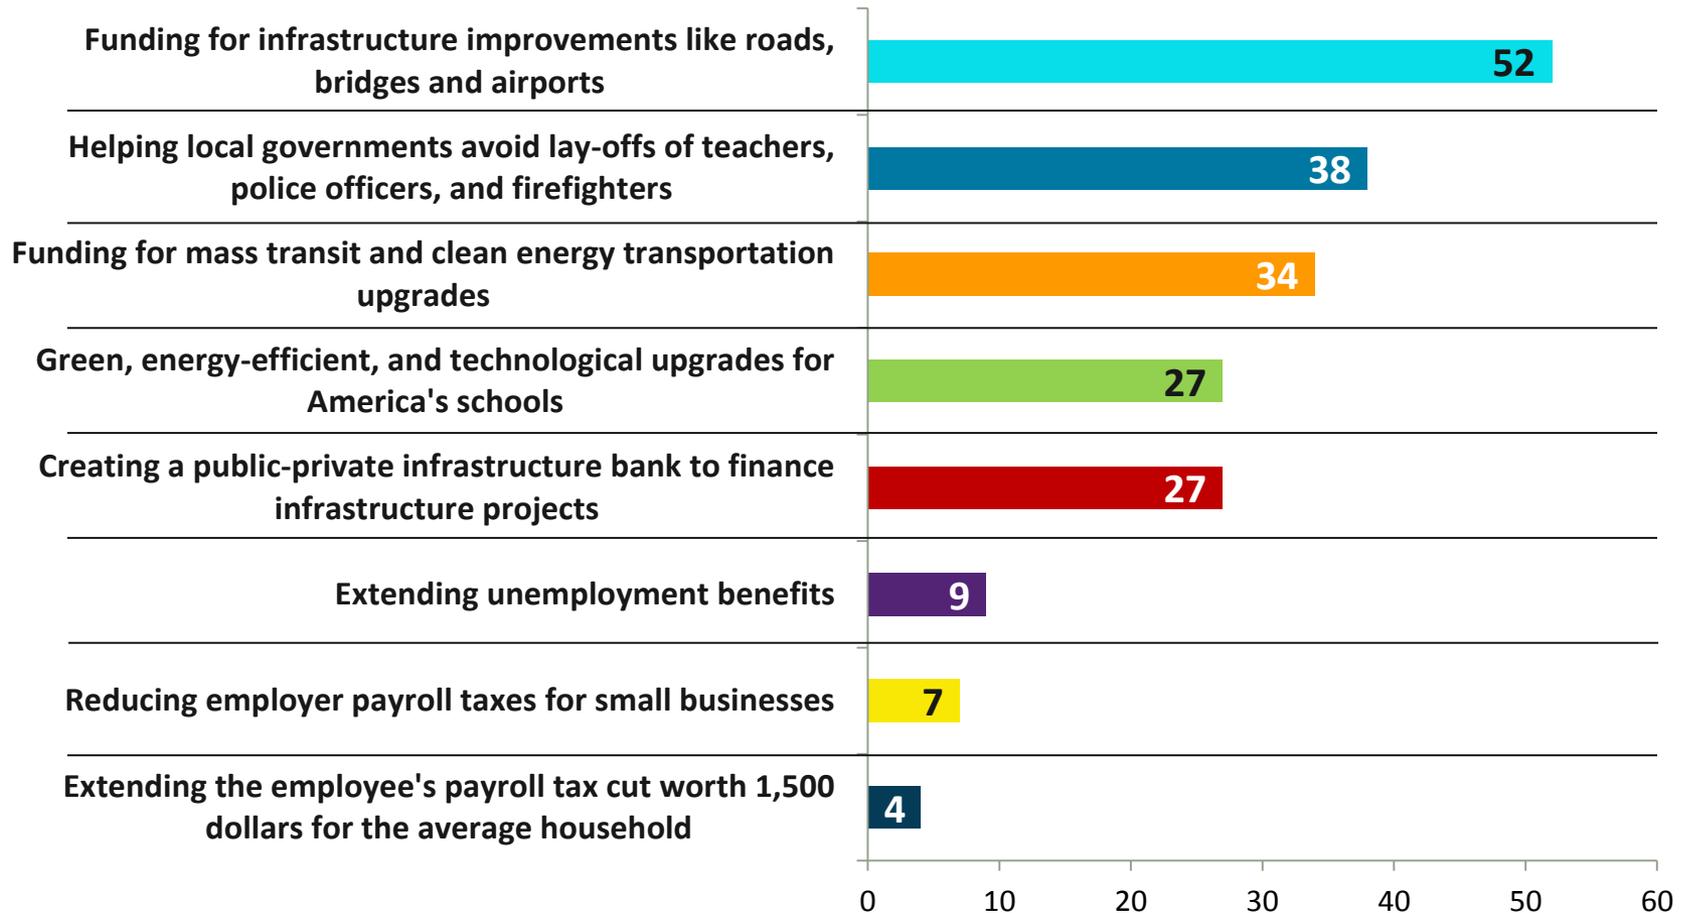

■ About Right

■ Too Large

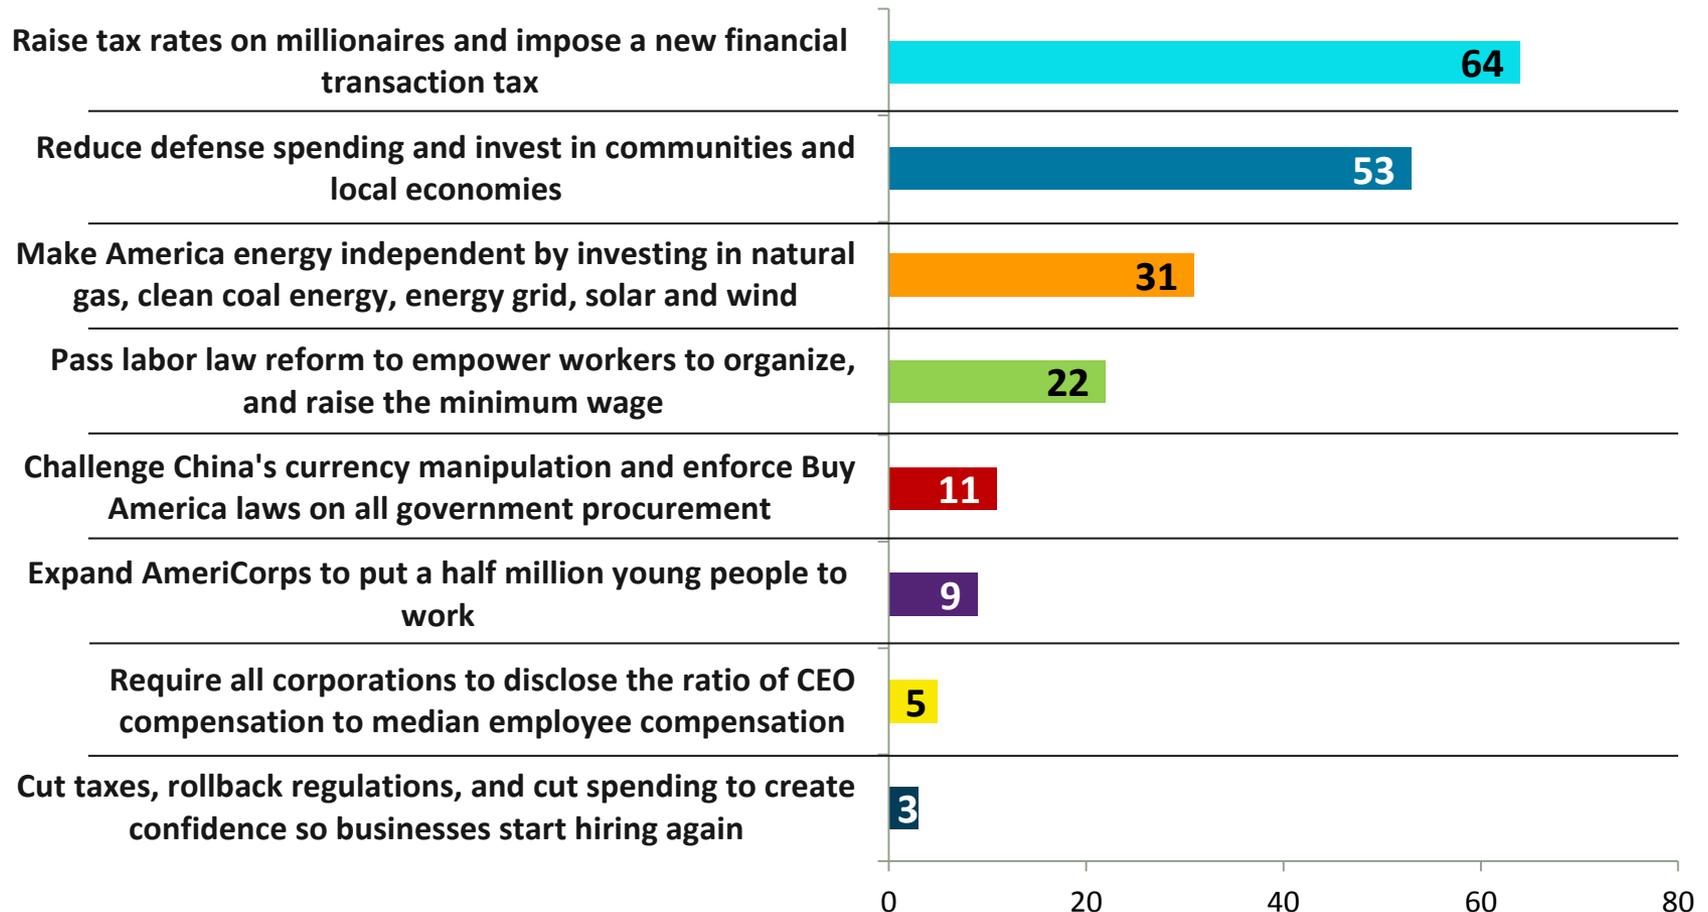

Funding for infrastructure most effective in creating jobs

Below is a list of proposals included in President Obama's jobs plan. Please read the list and indicate which TWO you believe would be the most effective in creating jobs.

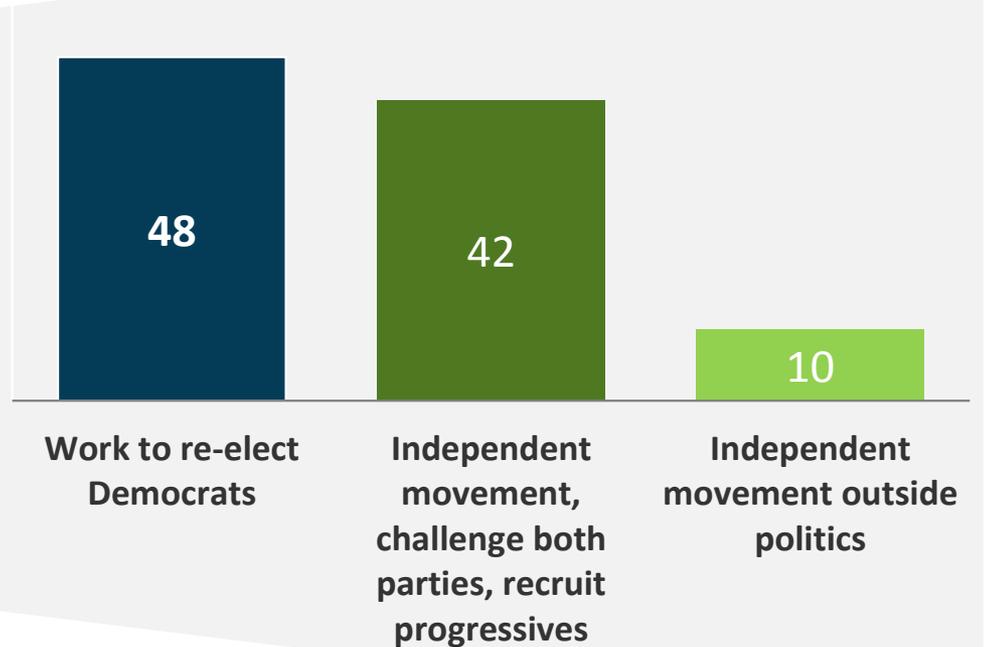

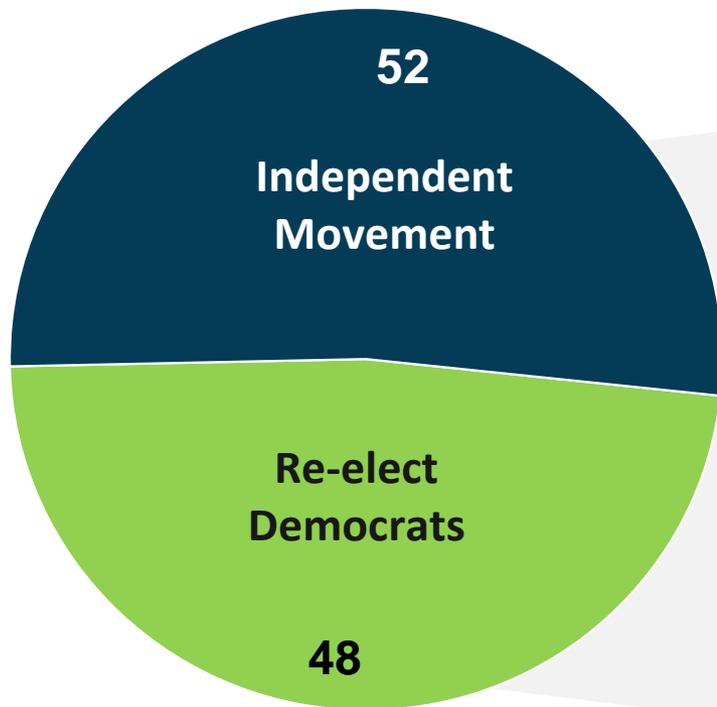

Millionaire tax increase, financial transaction tax most popular plan to get economy back on track

Some people say that the jobs bill is just a start and we need more ambitious plans in order to get our economy back on track. Regardless of whether you agree or disagree, please read the list below and indicate which TWO you believe would be most effective in building a stronger economy for the future?

Progressives divided: work with Democrats vs. build independent movement to challenge both parties

Over the last three years, many progressives have been frustrated with the pace of change. Which ONE of the following comes closest to your own view, even if none is exactly right?
