Q.117 (BLUE COLLAR CHOICE) Imagine President Biden had made the following statement:

The Democrat says, people are living paycheck to paycheck and struggling to pay their bills and taxes. They need a government that looks out for the middle class, cuts taxes working families, small businesses, and the vulnerable who work hard. The Republican Party in Congress battles to keep the big corporations from paying any tax or drug companies charging without any limit or seeing millions more children fall into poverty. Please elect more member of Congress that enable us to grow the middle class again.

Q.118 (DEFUND THE POLICE MESSAGE) Imagine President Biden had made the following statement:

Democrats feel a deep obligation to keep our communities safe from crime. Fighting violent is our highest priority and our cities must have the police and resources they need. It is a tough job, and our police should be respected. We should fund, not defund the police. We also need urgent reforms, with better training and accountability. Those who want to defund police do not call the shots in my Democratic Party or country.
