Q.93 Below are some more observations about the Child Tax Credit. Please pick the 3 that are the most concerning for you.

	Total	Battle ground CDs	Received CTC	Black	White Wrk Cls Women < 50
(DEFICIT) At a time when the federal deficit continues to rise, this could add another \$1 trillion dollars to the nation's debt. ....	46	53	46	36	48
(FRAUD) It is sent directly into bank accounts and is a fraud magnet, as millions could receive the funds who are not entitled to it. ....	43	45	34	47	32
(MORE KIDS) The expanded Child Tax Credit doesn't have any limit for the number of children and will lead some families to have many more children than they can support and go on welfare. ....	42	46	45	43	47
(ANTI WORK) The new program transforms the existing Child Tax Credit into an anti-work welfare check. ....	39	34	40	36	40
(BIG PAY) A single parent can receive the child tax credit check and food stamps and have annual income of \$18,000 -- similar to earning \$12.50 an hour. ....	30	32	38	43	34
(SOCIALISM) The Child Tax Credit is the government paying \$300 per child every month not to work is socialism. ....	30	26	32	31	32
(OPIOIDS) With the opioid crisis getting worse, the government is just sending money to families that will lead to greater drug abuse in working class communities. ....	28	24	33	24	30

94 (CTC BENEFITS) I like the new expanded child tax credit that is deposited monthly into each family's bank account, \$300 if they have kids under 6 and \$250 if they have kids 6 to 17 years old. It is the largest ever single-year tax cut for families with children and helps virtually every working family with kids deal with the high cost of raising kids, buying essentials, paying rent, and paying taxes.									

OR

(CTC WELFARE) I don't like the expanded child tax credit because it is a huge increase in government and government spending and explodes the federal deficit. It is a handout that will make children dependent on the government and many parents will turn down work. It is paid for by a method that will produce a lot of fraud, costing

taxpayers billions of dollars. ....	24	21	18	29	8	0	45	47	-3

95 (SPLIT A) (DEM FAMILIES)

Republicans have no solutions to inflation. But Democrats are battling the high cost of prescription drugs, health care, and child care. They are fighting to extend the monthly child tax credit checks to help families afford groceries, rent, and gas prices. Republicans are blocking the checks from going out.

OR

(DEM INFLATION) Biden and Democrats are sitting there letting inflation and gas prices go through the roof. Instead, they are enacting a 2.5 trillion wish-list, of abortion on demand, defund the police, Critical Race Theory, and Green New Deal that will explode the deficit and

inflation. They are so out of touch. ....	27	16	13	37	7	-	43	50	-7
