You can use any number from 0 to 100. The higher the number the more favorable your feelings are toward the DEMOCRATS.

*(IF BLACK IN RACETHN) African Americans played such a big role in building our economy, our industries and state, and not enough leaders have acknowledged it. It's their hard work and values that are making America great. It is time other leaders recognize they put Democrats into office and worked for their votes again.*

*(DEMOCRATIC MESSAGE) Working people haven't seen a real pay increase in years. Washington isn't listening. The special interests call the shots. But finally, Democrats raised taxes on the big corporations and lowered costs for working families by cutting their taxes, reducing health care, prescription drug, and energy costs, and went after price gouging. Republicans get their money from big oil and big pharmaceutical special interests. Republicans don't get it.*

Q.107 (SPLIT E) Now you will see some things that leaders of the Democrats and Republicans are saying about the country. Which one do you find yourself agreeing with more?

*(POLICE/CRIME) Democrats say the rise in crime is unacceptable and people need to live in safe communities. That starts with having more police who are respected. It is a tough job, and we should fund, not defund the police. Our plan adds 100,000 more police. At the same time, it includes urgent reforms, including better training and accountability to prevent excessive use of force and racial profiling that singles out Blacks or Latinos. Those very communities want us to get behind law enforcement and fighting violent crime as a top priority with all the resources at our disposal.*

OR

*(CRIME/DEFUND) Republicans say Joe Biden and Democrats' soft-on-crime policies have destroyed American cities, emboldened criminals, and put Americans in harm's way. Democrats' attacks on the 2nd Amendment will not combat the crime wave they created. Violent crime has spiked across the country, with fourteen major Democrat-run cities setting all-time high homicide records. Biden has not stood with law enforcement, but rather surrounded himself with radical defund the police supporters.*

You can use any number from 0 to 100. The higher the number the more favorable your feelings are toward the DEMOCRATS.

*Too many in my party thought it was not okay to talk about the growing violent crime problem in our community. They focused only on the police. From day one, we needed to rush more police, not defund in any way. Get criminals into jail.*

*They weren't listening to you.*

*Republicans are lying about how Democrats feel about addressing crime. There are less than 5 members in the House who are for defunding. Five. They are extreme and don't speak for the Democratic Party. The Democrats in the Congress are mainstream, and they voted to fund the Capitol police, ICE, and to increase the number of first responders in your communities.*

*(TRUMP MESSAGE) Republicans say, America has never been more at risk for those who made America Great. Crime in our country is escalating. People are pouring through our borders totally unchecked.
