	Total	Base Voters	White Wrk Cls <50	Cheney Conser vatives	Former Repub licans
(GUNS) Despite the weekly massacre of kids, Republicans won't support comprehensive background checks or banning high capacity magazines and they won't even raise the age to buy assault weapons to 21 years old.....	33	35	30	37	34
(SOCIAL SECURITY) The Chair of the Republican Senate campaigns proposed that all federal legislation 'sunset' every 5 years. Congress would have to pass the laws again. This puts the entire Social Security Act and Medicare at risk of disappearing, unless they are passed again by Congress.	31	30	25	30	33
(DRUGS) Republicans sided with the big drug companies and voted against allowing the government to negotiate lower prescription drug prices. They even voted against the government setting a low price for insulin.	28	28	34	31	34
(ABORTION) Mitch McConnell said if Republicans control the Congress after the next election, it will vote to make abortion illegal nationally.	28	28	25	27	25
(PRICE GOUGING) The big oil companies are funding Republican campaigns and brag to shareholders about super profits. They are price gouging families at the pump, while earning historic profits.....	26	26	25	26	25
(CTC TAX) Every Republican voted against the increased and expanded Child Tax Credit that gave monthly checks to working families with kids. It was a lifeline, helping people put food on the table and pay for childcare. They are for raising taxes on virtually every working family.	25	27	31	23	26
(CORP TAX) Republicans voted against the biggest corporations paying a minimum tax of 15 percent and increased enforcement to ensure billionaires pay tax too.....	25	24	28	24	21

Q.100 Now you will read some things Republican critics are saying about the Democrats. Please pick the TWO that raise the most doubts in your mind about Democrats and their policies.

	Total	Base Voters	White Wrk Cls <50	Cheney Conser vatives	Former Repub licans
(INFLATION) Democrats have voted for trillions of dollars in new spending which is increasing inflation and crushing taxpayers and small businesses. Biden has done nothing to bring down the cost of gas, groceries, and housing.	42	41	43	41	43
(IMMIGRATION) Democrats voted to defund border security, send stimulus checks to illegal immigrants, end border wall construction, and support sanctuary cities. Since Biden has been in office, nearly two million illegal immigrants have crossed our borders.	39	37	34	41	40
(CRIME) Democrats are pushing to defund the police, while hundreds of officers across the state have left their jobs. As police departments are short-staffed, violent crime is surging across the country and murders and carjackings continue to rise.	37	37	37	49	38
(IRS) Biden is going to hire and arm 87,000 Internal Revenue Service agents to create an IRS super-police force to target everyday Americans at a cost of nearly \$80 billion.	32	34	34	23	28
(PARENTS) Democrats trust school boards and don't trust parents on what to teach in schools, reducing parents' rights. Students are being bombarded with woke propaganda about gender, gender ideology, and Critical Race Theory.	26	27	28	20	26
(ABORTION) Democrats voted to allow taxpayer-funded abortions and have promised to force states to greatly expand access to abortion.	19	19	19	21	21

Q.101 Below is a statement from the Republicans about a Democratic candidate. Does this statement raise very serious doubts, serious doubts, minor doubts, or no real doubts about the Democratic candidate?

Congresswoman Demings, America hasn't failed – you did. America didn't vote 100 percent with Nancy Pelosi – you did. America didn't praise defunding the police – that was Val Demings. And we didn't sell out the liberals, turning our back on law enforcement, that's just pathetic. Val Demings went to Washington and became a puppet for Pelosi. Val Demings is just another radical rubberstamp.

It's not just about border violence, or fentanyl pouring in by the ton, or importing more than 20 million illegals and giving them amnesty. No, it's about a small group of elites who want to destroy this country. That's why the Democrats want to open borders. I'm sick of it.

Q.103 Below is a statement from the Republicans about a Democratic candidate. Does this statement raise very serious doubts, serious doubts, minor doubts, or no real doubts about the Democratic candidate?

The Democratic Party, they have a majority - they could stop this crime today. Some people say they're soft on crime - no they're not soft on crime, they're pro-crime, they want crime. They want crime because they want to take over what you got, they want to control what you have. They want reparations because they think the people that do the crime are owed that. They are not owed that.

Two years ago, most families could afford to fill up a shopping cart, and now they can't, and that's concerning for North Carolina families. You're being forced to make hard choices because Joe Biden made bad decisions. Biden's reckless spending gave us record inflation that's crushing working families in North Carolina. You need to leave the grocery store with full carts and happy kids again.

Q.105 Below is a statement from the Republicans about a Democratic candidate. Does this statement raise very serious doubts, serious doubts, minor doubts, or no real doubts about the Democratic candidate?

Reckless spending and unfit leadership, that's what created our current economic crisis. Joe Biden and the radical left closed down small businesses, shut down the economy, and spent billions we didn't have. Now everything, including food and fuel, cost more every day. Biden and Democrats gave us more and more unbalanced budgets, more spending, and national debt that is making everyday life unaffordable.

Democrats did what nobody else could. They fought the drug companies and delivered. Now, for the first time, Medicare can negotiate lower drug prices, and out-of-pocket costs will be capped. Democrats also passed a historic law to lower prices by investing in manufacturing semiconductor chips in America. Democrats know that investing in clean energy creates jobs and helps families lower their utility bills. Democrats secured funding to help small businesses and led the fight against big oil companies and price gouging.

Q.107 Below is a statement from the Democrats about a Republican candidate. Does this statement raise very serious doubts, serious doubts, minor doubts, or no real doubts about the Republican candidate?

I'm a proud Pennsylvanian and I'm tired of Washington Republicans and Mitch McConnell. They just work for the lobbyists to rig everything for the rich, trade stocks to benefit themselves, sign bad trade deals, and tax cuts for corporations. Now Mitch is spending millions to stop John Fetterman. They want to keep trading stocks, raise taxes on working people, and keep outsourcing jobs. That's the point.

Now that the Supreme Court has overturned Roe v. Wade, states across the nation are banning abortion. Do you think women's reproductive healthcare is safe here in Washington? Not with Mitch McConnell's hand-picked candidate in the U.S. Senate, Tiffany Smiley. Tiffany Smiley's first vote will make Mitch McConnell Majority Leader and they will work to ban abortions nationwide. Don't take my word, believe Tiffany Smiley.

Republicans have been threatening it, and now the Supreme Court has done it - triggering a ban on nearly all abortions in Wisconsin, even in cases of rape and incest. And Senator Ron Johnson sided with them on overturning Roe v. Wade. Punishing doctors and hurting people, putting our health and reproductive rights in danger. Johnson even said, "if you don't like the (abortion laws) in your state that you currently reside in, you can move." Tell Senator Ron Johnson to protect us, not punish us.

J.R. Majewski is too extreme. He supports QANON, a group the FBI calls a domestic terrorist threat, and he wants Ohio to leave the United States. "Listen, every state that went red should secede from the United States." Domestic terrorism, violence, secession - that's not conservative, that's dangerous.

Q.146 Now you will see some things that leaders of the Democrats and Republicans are saying about the country. Which one do you find yourself agreeing with more?

(POLICE/CRIME) Democrats say the rise in crime is unacceptable and people need to live in safe communities. That starts with having more police who are respected. It is a tough job, and we should fund, not defund the police. Our plan adds 100,000 more police. At the same time, it includes urgent reforms, including better training and accountability to prevent excessive use of force and racial profiling that singles out Blacks or Latinos. Those very communities want us to get behind law enforcement and fighting violent crime as a top priority with all the resources at our disposal.

OR

(CRIME/DEFUND) Republicans say Joe Biden and Democrats' soft-on-crime policies have destroyed American cities, emboldened criminals, and put Americans in harm's way. Democrats' attacks on the 2nd Amendment will not combat the crime wave they created. Violent crime has spiked across the country, with fourteen major Democrat-run cities setting all-time high homicide records. Biden has not stood with law enforcement, but rather surrounded himself with radical defund the police supporters.

Q.147 Below is a statement by the DEMOCRATS on crime. Based on this statement, please rate your feelings toward the Democrats with 100 meaning a very warm FAVORABLE feeling; 0 meaning a very cold, UNFAVORABLE feeling; and 50 meaning not particularly warm or cold. You can use any number from 0 to 100. The higher the number the more favorable your feelings are toward the DEMOCRATS.

Too many in my party thought it was not okay to talk about the growing violent crime problem in our community. They focused only on the police. From day one, we needed to rush more police, not defund in any way. Get criminals into jail.

They weren't listening to you.

There are less than 5 members in the House who are for defunding. Five. They are extreme and don't speak for the Democratic Party. The Democrats in the Congress are mainstream, and they voted to fund the Capitol police, ICE, and to increase the number of first responders in your communities.
