For each proposal, tell me if you think it should be the SINGLE highest priority, one of the TOP FEW priorities but not the highest, NEAR THE TOP of the list, in the MIDDLE OF THE LIST, or TOWARD THE BOTTOM of the list of priorities for Congress.

Q.70 (EV) Now let me tell you about a proposal that directly changes the way campaigns are financed.

*Some people propose addressing the role of money in politics with a new law that would provide qualified candidates with limited public matching funds for small contributions they raise from constituents. The law would also require disclosure for all political spending by outside groups, and strictly enforce election laws.*

From what you know, would you favor or oppose this proposal?
